Board To Apply For 24- Room School Permit

After extensive research was carried out regarding future school building requirements of the St. Albert School District No. 3, Trustee Don LaBelle last Thursday, at the regular board meeting, made a motion that an application for a certificate of need for a 24-room school be commenced. The motion was carried unanimously.

School Superintendent Vince Maloney was the first to speak on the topic after all school principals from the system arrived to take part in the discussion with the board. Mr. Maloney reviewed the need for additional classrooms and said, "we'll be operating at near capacity during the 1972-73 school term therefore something must be done for the fall of 1973."

All school principals agreed with Mr. Maloney that additional classrooms will be needed soon because all four schools in the Catholic School System were "bursting at the seams." Principal of Father Jan, John Kaminski reported that enrolments for the coming term are coming along at a brisk rate, indicating that there will certainly be no shortage of students, "but we might be a bit shy on elbow room," he said.

Then, the discussion centered around the type of new school required. Some of the principals were in favor of building a new elementary plant and converting Vital Grandin into a junior high. Others favored a new junior high located on the site with St. Albert High School, but opposition to this concept was registered by several of the principals present. John Patterson, principal of Vital Grandin expressed his feelings that a junior and senior high school located in close proximity is not a good situation.

"It's very important for the junior high student to maintain his identity," Mr. Patterson said. He explained that students in Grades 7, 8 and 9 require a more flexible course of studies and must also be made to feel they are not just part of the general enrolment, "without a clearly defined identity." He concluded by saying that a junior high school ought to be under a separate administration.

Further studies will be conducted by the school board staff in an effort to qualify the present unknown number of students the system can expect from the new subdivisions in St. Albert. A house-to-house survey

St. Albert Kinsmen President Dave Stewart (right) presented Jim Kehoe a cheque of \$300 to assist the St. Albert Salifish Swim Club. Salifish President Jim Kehoe said the contribution from the Kinsmen will go a long way towards a proposed trip to the Provincial Championships Meet in Calgary in August where about 50 members from St. Albert will participate. Seen at left of Mr. Kehoe is John Graves, secretary of the Kinsmen also vice-president and assistant coach of the Salifish.

Council Lukewarm On Proposed Development

Council received a revised condominium proposal which had already made two previous appearances and had been returned for revision. The proposal, made by Integrated Building Corporation Ltd. is designed for the Grandin Park subdivision, east of the present Grandin Village development.

As described some time ago by W. Scott, spokesman for Integrated, the proposed development incorporates a

totally new concept in condominiums in that each unit includes a two-car port, there are only nine units per acre against the customary 12, thus giving each family more living space. Another feature which Mr. Scott explained was the joint-use aspect of recreational facilities. By joint-use, Mr. Scott explained that the new development, located adjacent to Grandview Ridge and bound by Gains-

Lions Park gets further boost

The Lions Club application for a federal grant under the LIP program has been approved for several thousand dollars, and the St. Albert Lions have plans well in hand to put the funds to good use.

Shirley Goldstick, a second year student in Recreation Administration from the U of A has been engaged to take charge of programs for youngsters at the park, and will begin her duties on July 3. She has had previous experience in such work in the Highlands district in Edmonton. The Lady Lions have provided the park with a basketball back court and a maypole and the Lions will provide such extra equipment as is needed as Miss Goldstick develops the summer activities program, which will continue until after Labour Day weekend in September.

Three men will be hired for general maintenance in the park and further improvements to the new park area. Two cook shelters will be built there, adding to the

existing individual cook-out stove facilities. Roadways will be improved and arranged for convenient entry and exit for campers with trailers who use the new area for overnight camping. Water will be piped in to this area as well, and further clearing out of underbrush will be carried out. Applicants for the three jobs will be interviewed this week by Lion Jim Kimball.

Permission has been granted to the YMCA Day Care program to make use of the park facilities at no charge during two 2-week sessions for 50 children per session. The children and supervisors will use the park as a home base for hiking trips and various outings in the area. Cost of each session is \$20 per child, paid by the parents.

An earlier grant under the Federal Government Winter Works program enabled the Lions to add additional service building and other facilities and improvements, mainly to the established park area.

Twenty years after graduating from St. Albert High, the above nine graduates from a class of 10 were reunited last Friday evening here in the Community Hall. After they all got re-acquainted they posed for the above picture and took the same positions they held for the photographer back in 1952. Canada Day celebration is open to everybody

It's Great to be a Canadian - that's the thinking behind the Canada Day celebrations being staged Saturday, for the fourth consecutive year in Edmonton, by the Canada Progress Club. Last year 1,700 hundred people turned out for their all people parade, ceremonies and programs to mark Canada Day.

This year the chairman of the Canada Committee with headquarters in Montreal, is coming to Edmonton for Canada Day, Lieutenant Governor J. W. Grant MacEwan will again be one of the leaders of the parade, Mayor Dent will be away, the first time he has missed the celebration, but the city will be represented, as

will the City Police Department and the RCMP. Steve Proposki, MP will be a federal government representative and there will be other dignitaries as well.

But the main focus is on the citizens in the area who wish to take part in Canada Day, and everyone who is at the City Hall in Edmonton by 10 a.m. Saturday morning will join in the parade to the Legislative grounds. Last year one elderly lady proudly carrying the Union Jack was noticed by the lieutenant-governor, who immediately invited her to ride in the car with him, a typical gesture by Mr. MacEwan.

There are eight Alberta students who will be in Ottawa for Canada Day July 1st when they will meet the prime minister as well.

Store Open Monday

Mr. Jim Byrne has confirmed that the retail businesses in St. Albert will be closed on Canada Day, Saturday but open as usual next Monday. On checking with Mr. Leo LeClerc, he was informed that the same is true in Edmonton. Civic and government offices and banks will be closed as will liquor stores on Monday. Some confusion was created when the day was proclaimed as a civic holiday.

Tired but very happy to have arrived at their destination are the First St. Albert Rangers and members of the St. Albert Guides who have just reached the Elk Island Station campsite after their 22-mile hike. Story on page 7

Residents of St. Albert and surrounding areas are in for a real treat on Canada Day, July 1st as these Caribbean students, attending the University of Alberta and who perform under the Opportunity for Youth program will present an evening performance here starting at 8 p.m. in the new Band Shell at St. Albert Lions Park. The Caribbean Steel Drum Band is quickly establishing itself as one of the top ethnic group of entertainers in Alberta. Don't miss this opportunity to hear a real live and talented group of musicians. The performance is one of a series planned by the St. Albert Breakfast Lions in the St. Albert Lions Park.

Board Criticized

The Editor:

It would be interesting to know just what thought processes the illustrious members of the Sturgeon School Board and the Superintendent of the Division were using when they decided to eliminate the services of one primary school teacher and the library from the Bon Accord school system. I believe the main idea is furthering the education of our children, and that, if expenses are too high, the place to cut them is at the

school board office.

Is it really necessary to have so many trustees? Let's eliminate a couple of them. Is it true the superintendent is contemplating an assistant? Let's eliminate that idea. Were the people most closely concerned with the closure of the Opportunity Room at Vismao notified ahead of time, and has any worthwhile alternative been offered for the education of these children? If anyone can suggest just why a board would set up an expensive and well-equipped library and then have it closed for more than half of the school day I would be more than willing to listen.

I abhor the secrecy connected with the school board activities. After all we pay the tab and we'd like to know what is going on before it is an accomplished fact.

Mrs. Hugh Allen,
Bon Accord, Alta.

will be conducted and compiled along with other information being supplied the school board from other sources.

Two experienced teachers of kindergartens approached the school board requesting working space if available. Mrs. Bernice Deutscher and Mrs. Myrna Fyfe explained to the board that there was a need for additional kindergarten facilities in St. Albert and that they were anxious to get at least two classrooms going. The board explained that classroom space was at a premium at the moment but promised that as soon as room would be available, they would be notified.

Before adjourning, the board agreed to schedule meetings throughout the summer holidays without interruption.

borough and Grenfell Avenues will share existing and additional recreational facilities, which will include a swimming pool.

A considerable amount of discussion took place on the subject of joint-use because the original condominium project, called Grandview Ridge is indeed a true condo, project where each unit is privately owned. Meanwhile, the proposed project by Integrated Building Corporation Ltd. is slated for a rental multiple housing project. Council sees problems arising from the proposed joint-use of recreational facilities because land regulations are different for owners and renters. One of the most important areas of concern, as far as council can interpret the proposal is snow clearing, garbage pick-up, leisure vehicle parking and a host of possible trouble areas. Not the least of which, council feels, is the joint-use of the proposed swimming pool and other facilities.

After washing their hands of any responsibility involving the joint-use proposal, Councillor Bakker made the following recommendation that the development proposal from Integrated Building Corporation Ltd., be referred back to staff, but need not be resubmitted to committee unless a problem is encountered and approval be subject to a development agreement. This recommendation, made at the June 12 regular committee of the whole meeting and up for discussion at the regular meeting of June 19 was ratified by a vote of 6-1. Mayor Gibbon cast the dissenting ballot.

INFLATED TIMES

One of the greatest problems in our nation today is that too many folks can't afford to work for what they're worth.

Children of St. Albert will be able to see and hear the child evangelist, Mr. Brown Reynolds every evening next week at the Elm Pentecostal Chapel, 1 Ball Avenue. He tells stories, donning costumes to fit the story, such as the Indian Chief, Roman gladiators and others. The talented performer also demonstrates sleight-of-hand tricks, and organized a variety of games and contests with prizes. Mr. Reynolds will be on hand Monday through Friday, July 3 to 7, at 7 p.m. for one to one and one-half hours each evening. All children in St. Albert are welcome.

Canada Day

Continued from page 1

They are the winners out of 400 students who entered an essay contest sponsored by the Canada Progress Club on the topic "What it is to be a Canadian." The parents of an Edison student will accept a trophy at the Edmonton celebrations on behalf of the winners. The students are visiting Toronto, Montreal and Quebec City prior to going to Ottawa.

When the parade reaches the Legislative grounds a 21-gun salute will be fired and there will be a fly past by the Canadian Forces. At 1:15 a program by the Edmonton Folk Arts Council will be staged, featuring dances of many of the ethnic groups who make up Edmonton area Canadians. Marching bands will also entertain. It is expected the celebrations will disperse around 2:30, to reconvene at 7:30 in the evening for a musical tattoo.

Mr. D. W. Clarke, chairman of the Canada Progress Club, reports that the film done in Edmonton of last year's Canada Day celebrations has been shown all across Canada and was enthusiastically received by all who saw it, including Prime Minister Trudeau.

If it rains the events planned for Canada Day will go forward in Kinsmen Field House, for everybody who agrees that it's great to be a Canadian.

ELECTRIC SERVICE LEAGUE OF ALBERTA

Although few of the people shown above are smiling, it was an exceptionally happy event for prize winners marking the end of the million dollar contest by the St. Albert Savings and Credit Union. (Left to right) Branch Manager, L. S. Alain; Roy Van Riper, first prize winner of \$75; Miss Thoma Jauch, the alert young lady who spotted the light which signalled the end of the contest and won \$50; Julian Noga who won the second prize of \$50 and last but certainly not least is Albert Lesburg, president of the Credit Union who made the presentations. Absent for the picture is Kay Jauch who won the third prize of \$25.00.

Class of '52 Reunite In St. Albert

Before 1952, St. Albert high school students completed their studies in Edmonton but in June, 1952 the first Grade 12 graduating class was held here and on that memorable night 20 years ago seven girls and three boys, all decked out in their Sunday best gathered for their graduating exercises.

Twenty years later, which happened to be last Friday, June 23, nine of the graduates of '52 held a class reunion at the St. Albert Community Hall. From 8 p.m. until the wee hours of the morning, the reunion maintained a fast tempo. Everybody was kept busy

reviewing the past 20 years, getting acquainted with the wives and husbands of the 'old gang' and just generally having a wonderful time.

Below are short biographies of the nine 1952 graduates:

Mrs. Joyce (Atkinson) Shulha - born in Edmonton. Attended Vermilion School of Agriculture in 1953, then took a business course. Travelled in Europe prior to marriage. Has four children. Loves football, curling and lives in Edmonton.

Mrs. Theresa (Loyer) Anderson - was born in Calahoo Alberta. Joined air force and was stationed in P.O., Ontario. Married an

airman, and has travelled to Germany and across Canada from Nova Scotia to Alberta. Has six children, three boys and three girls and presently resides in Edmonton.

John Bocock - graduated from Vermilion School of Agriculture in 1953 and from University of Alberta in 1957 with a B.Sc. Agriculture degree. Life work - the family farm (Nature's University). In 1968 spent three months visiting neighbors in India, Kenya and Europe.

Chester Cunningham - married with six children, two having also graduated from St. Albert High. Moved to Carbon, Alberta for four years, then returned to St. Albert. Keeps fit by playing baseball for St. Albert. At present is executive director of Native Counselling Services of Alberta.

Henry Generoux - married with four children. For past 18 years has been employed at Canadian Celanese Company where he is a supervisor.

Mrs. Marcelle (Curial) Joulain - married an accountant and has three daughters. Resided in Edmonton for 17 years and moved to Calgary three years ago.

Mrs. Margaret (Joval) McRae lives in St. Albert and has three children. Is a hockey fan.

Mrs. Geraldine (Maheux) Verstraete, lives in Calgary and has four sons - 17, 16, 13 and 10 years of age. Enjoys watching hockey, football, soccer. Household extras include a dog, cats, gerbils, as well as the occasional snake, gopher and bird.

Wilma D. Roberge - 1956 graduate of Edmonton General Hospital School of Nursing. Worked there for six months, prior to moving to New Westminster, B.C., in a successful attempt to escape prairie winters. Continues nursing on a surgical ward.

Mrs. Joan (Atkinson) Appelt is Joyce Shulha's twin sister. Following graduation took a business course and travelled in Europe. Has two sons and lives in Edmonton. Unfortunately Joan couldn't attend.

Credit Union Overshoots \$1 Million Objective

There's an alert young lady in St. Albert who has every reason to celebrate this week, 11-year-old Thoma Jauch of 35 Mount Royal Drive spotted the million dollar light in the Savings and Credit Union window, June 14. That was the signal many people had been waiting for because Leo Alain, manager of St. Albert Savings and Credit Union had previously announced, "when we attain the \$1 million mark, the light will go on and whoever spots

it first, will receive a \$50 prize."

On June 14, when the Savings and Credit Union passed the million dollar mark by \$1,840.41, the light was turned on at 6 p.m. and 13 minutes later Miss Jauch recorded her vote for the \$50 prize.

Another feature of the drive to attain the million dollar objective was a vote system related to new shares in the credit union. On the basis of one share-one vote, members guessed the date when the million dollar target would be at-

tained. Of over 4,000 ballots cast, 29 qualified for the three prizes being offered.

President of the St. Albert Savings and Credit Union, Mr. Albert Lesberg drew the three winners from the 29 finalists. The first prize of \$75 was awarded to Roy E. Van Riper, 6 Grantham Place; second of \$50 was won by Julian Noga, 125 Grosvenor Blvd. and third prize of \$25 was won by the brother of the alert little girl who first spotted the light, Kay (pronounced Ki) Jauch of 35 Mount Royal Drive.

Grandin Cleaners win craftsman award

Norm Petty, owner and operator of Grandin Park Cleaners Ltd. here in St. Albert was again awarded the 'Spotting and Finishing Award' after successfully measuring up to a test issued by the trade magazine Drycleaning World. Mr. Petty proved to Drycleaning World that he is an excellent craftsman by removing a mystery spot from fragile material without damaging the fabric.

The 'Spotting and Finishing Award' now displayed in Grandin Cleaners Ltd. reads: Norm Petty of Grandin Cleaners Ltd., in recognition of professional drycleaning skill demonstrated by actual test performance.

Norm is an old hand at removing stubborn stains from garments without damaging the fabric and he said this test wasn't particularly difficult, "if you know what you're doing." Norm has the award to prove that he does know his business.

In fact now he has two such awards because back in 1959 he received the same proof of proficiency.

Swimming NEWS

A separate advertisement in this issue includes the schedule which will be in operation from July 2 - August 25 as well as a reminder of the times of registration for instructional classes during July. The schedule, as usual, will be subject to adjustment, depending on demand and attendance. Changes will be posted at the pool and published in The Gazette.

As advertised last week, there will be extra sessions for public swimming on June 28, 29 and 30, as the schools are no longer using the pool during school hours. On July 1st, there will be public swimming in the evening only from 7 - 10 p.m. because of a swim meet.

It should be noted in the schedule that in addition to the family sessions at week-

ends, there will be two family sessions during the week, on Tuesdays and Thursdays. These provide an excellent opportunity for families to swim together. All children must be accompanied by their own parent or parents.

Apart from July 16, scuba diving equipment will be allowed in the pool during July on Sunday evenings from 9 - 10 p.m. A Mile Swim will be held on July 16.

TENNIS:

The tennis lessons, organized by the St. Albert Tennis Club, are over for the year. To mark the close of the junior sessions, a junior novice tournament was held on Monday, June 19. Approximately 25 juniors took part in the tournament and enjoyed it immensely. The winners were as follows: boys 13 and over - Gary Sattich, runner-up - Colin Sattich; boys 12 and under - David Crerar, runners-up - Chris Skrobot and Paul Rabod; girls 14 and over - Donna Lloyd, runner-

up - Gail McConnell; girls 13 and under - Pam Hill, runners-up - Corinne Skrobot and Maureen Gau. So that the juniors can keep up the good work, a junior tennis morning is planned for Tuesdays from 9:30 a.m. - 12 noon. These sessions will begin on Tuesday, July 4 and will be for all those juniors who took lessons this year. There will

be no charge but the sessions will be organized and supervised by Mrs. Cynthia Sage and Miss Bernice Parsons, two members of the Tennis Club, who will also coach and give advice when needed.

On Thursdays, ladies can meet at 10 a.m. and play or practise without having to arrange a game beforehand; there'll be other ladies there to play with.

St. Albert High Honors Mrs. Blair

The staff of St. Albert High School gathered at the home of Mrs. Adrienne Telford recently to honor one of their members, Mrs. Cecilia Blair, who is retiring after teaching in St. Albert for 25 years - 1947 to 1972.

Mr. Ross Johnston, the principal, presented her with a souvenir from the Old Brick School days - the old hand-bell, polished and engraved. On behalf of the staff, he gave her an engraved silver tea service. Mrs. Blair thanked them for the happy days she spent with them, and wished them as much enjoyment in their careers as she has had in hers.

The 1971-72 graduates, at their graduation banquet, presented her with a dozen red roses to thank her for her guidance and understanding during their high school days.

The girls of Our Lady of Good Counsel Club, of which she has been staff representative for 18 years, gave her a cup and saucer; and the Library Club presented

her with a vanity set.

Mrs. Blair has received many gifts from grateful friends and former students. One she treasures very much is a crystal vase and roses from Sheila Ross on behalf of the six Ross children, all of whom had been her pupils.

Mrs. Blair will be greatly missed at the High School, but she has assured us that she will be back to visit often, as she plans to continue to reside in St. Albert where she and Mr. Blair have made their home since 1939.

On Wednesday, the St. Albert High School held their final staff luncheon of the year and honored Mrs. Sharon Marchand, who is resigning, by presenting her with a crystal liquor set.

Engraved coffee spoons were presented to the teachers leaving; to the teachers on leave-of-absence, Mrs. Elmira Pikula and Hank Reinhold; and to those transferring to other schools in the system, Mrs. Mary Vida and Tony Denney.

MR. & MRS. MAURICE ARCAD

Reverend Father Collin Levanque conducted the wedding service for Dawn Kambouroff, daughter of Mr. and Mrs. Rene Kambouroff, and Maurice Arcand, son of Mr. and Mrs. Edmond Arcand, all of St. Albert at the Church on the Hill, June 17 at 1:30 p.m. Father Levanque invited the wedding guests to share the joy of the young couple and wished for them the happiness that comes to a home where Jesus Christ and his love are present.

Scripture readings, as chosen by Dawn and Maurice, were read by Victor Audy. Lois Hole at the organ played the wedding music, selecting Hymn to Joy by Beethoven, the theme from Grand Pre, Somewhere My Love from the score of Dr. Zhivago, All My Loving as arranged by the Beatles and Let It Be. Baskets of beautiful gladioli and daisies decorated the church.

Coming down the aisle on the arm of her father the bride was radiant in full length gown of white peau de Eclanage, fashioned in princess style with bodice and sleeves of lace daisies. A coronet of red roses and Stephanotis held her full length veil of nylon tulle and she carried a cascade of roses and Stephanotis.

Given in marriage by her father, Dawn was attended by her two sisters, Kathy as maid of honor and Susan, bridesmaid. They wore long gowns of nylon floral chiffon in pink tones, complimented by picture hats of deep pink, trimmed with bands of matching daisies.

Attending the groom were Gerard Arcand, his brother and Darren Eastcott, John Kambouroff and Les Martin ushered the guests.

A reception and wedding buffet for 82 guests followed the ceremony.

The bride's mother was charming in a two-piece ensemble in pink with white accessories and corsage of white carnations. Mrs. Arcand chose a turquoise frock with matching three-quarter coat and pink carnations en corsage.

Gerard Arcand was master of ceremonies and read telegrams of congratulations from the bride's great grandmother Domerc in Sete, France, Oliver and Jean Arcand in Pointe Claire Quebec, the bride's uncle Russell Krausert in Atlanta Georgia and others. A delightful toast to the bride was proposed by Mr. John deBruijn and the groom replied most capably.

Mr. Kambouroff welcomed

ed Maurice into the family, and expressed his wish that the guests enjoy themselves on this happy occasion. Gerard Arcand welcomed Dawn into their family.

Special guests present were the bride's grandparents, Mr. and Mrs. L. C. Krausert from Turner Val-

ley and her grandfather Mr. Marin Kambouroff. Out of town guests were from Red Deer, Calgary, Vancouver, Dawson Creek, B.C., Fort Saskatchewan and Morinville.

The happy couple are making their home in Edmonton.

2 local Cadets to attend World Guide Conference

Interest in camping appears to be on the upswing for many young adults in Tamarac Area. Two Cadets, from the newly-formed Tamarac Cadet Company, are in Ontario attending an all-Canada Cadet Camp. Their itinerary includes the meeting of delegates currently attending the World Conference on Guiding, hosted this year by Canada, and being held in Toronto.

The two St. Albert cadets, Cindy Smith and Theresa Varner will also attend the Conference. They are the only two representatives from Alberta.

Cadets are girls training to be leaders in Guiding and/or the community. There are only four registered cadet units in Alberta. These two girls have been

able to attend through the generosity of several organizations: St. Albert Division, Grandin District, Sturgeon River District and the 2nd and 3rd St. Albert Guide Companies, the CWL Tamarac Area Council, as well as several private individuals.

One Ranger from Gibbons, June Fraser, will be leaving in early July to attend a camp in Ontario, and several Guides and Rangers from Tamarac Area are also going to attend Provincial camps in Alberta this summer.

Public Notice

The Council of the Town of St. Albert has proclaimed MONDAY, JULY 3, 1972, as a Civic Holiday in lieu of Dominion Day which falls on Saturday, July 1, 1972.

R. B. BOWEN,
SECRETARY-TREASURER.

Youbetchal! That's what a \$1,000 bill looks like . . . and that's how happy people look when they're the lucky winners of the Kinsmen Big Money Draw. (Left to right) Gloria Davis who sold the winning ticket, Joanne and Bob Thurn who won the big prize and Dave Stewart, president of the Kinsmen Club making the presentation.

Around Town

Mr. and Mrs. John and Grace Hart of 8 Salina Drive have won a trip for two anywhere in Europe, serviced by CP Air. The contest was sponsored by Marshall Wells Ltd., and won through their St. Albert Marshall Wells store, Tompkins Hardware. The winners name was drawn from all entries received from Marshall Wells & Crests stores across Canada. It was a tremendous thrill for the Harts, who are particularly looking forward to visiting John's father in England, who has not been too well recently.

Don Sinclair suffered an attack Monday night and is in intensive care in Sturgeon General Hospital. Earlier in the day Don had attended the opening of Edmonton's new courthouse with his brother, Chief Justice Sinclair. He took the attack later at Simpson Sears Park Plaza store and the nurse on duty called an ambulance. Precise cause of the seizure has not been established.

Murray Glennie fared rather well in the Olimens golf tournament last week, coming up with the consolation prize in the 11th flight, and winning himself a \$30 voucher for golf slacks by dint of one-putting the 18th hole the first time out. His son-in-law Laurie, up from Calgary for the event won first place in the 13th flight. Their wives got to go to all the social affairs held in connection, so all was happiness at 59 Greenwich. Before too long the birds chirping on Shuswap lakeshore will be getting a little interference from our Marg.

Elizabeth Jean Shyptka, 12 year old student of the Ellen Flotten-Armstrong School of Dancing here is receiving congratulations for having won the gold medal for the Highland Fling. Elizabeth won the award at the Red Deer Highland Dancing competition held June 24. This talented young dancer has been a regular student of the local dancing school for two years and has just recently graduated from Grade 6 at St. George Simpson.

Residents are urged to remember that the collection bin for waste paper is located at the Roman Catholic Church, behind the Albert Lacombe Museum, and will remain there for two days, Saturday and Sunday, July 8 and 9. The proper disposal of paper is an important part of keeping any community clean and residents of St. Albert are re-

minded to please deposit their waste paper in the deposit bin thereby helping solve one of our ecological problems. For more information call 599-7449 or 599-6733.

On June 9, according to The Devil's Advocate, St. Joseph's Composite High School paper, seven students from St. Albert and district distinguished themselves during the current school year besides Barbara Holagary, who received the Top Scholastic Trophy. They are: Bernie Douziech, who received the McBain Camera Specialty Ltd. award; George Valliant, most proficient student in automobiles; Gary Deane, most proficient student in appliance servicing; Richard Carignan, most proficient student in drafting 12; Raymond Bolsvert, most proficient student in building maintenance. One of the runners-up in the highest scholastic achievement in Grade 12 is George Valliant whose average was 84.2 and received a plaque.

Grandin Shopper's Park Draws Net Two Couples Free Trips

Amongst the hundreds of valuable gifts given away during the Grandin Shoppers Park Grand Opening held June 15, two lucky couples were awarded free trips for two, which, we are sure, solves these people's problems regarding, "where should we go for our holidays," because that question was answered for them. Mrs. Shirley Morgan of 65 Springfield Crescent, St. Albert won the trip to Hawaii while Mr. D. A. Colpitts of 7620 - 92 Ave., Edmonton gets the trip for two to Las Vegas. These and many other prizes were awarded by the firms making up Grandin Shoppers Park.

Winners of the fibreglass sailboat was won by the Walsh family as reported in last week's Gazette, while the ladies 10-speed bicycle, offered by Marshall-Wells Store, Tompkins Hardware, owners went to Mrs. Doris Worobec, also reported last week. Macleod's holiday trip draw for two anywhere in the world will be made later and Jack Pickett, manager of the store said the date for the draw will be announced later in July.

If you see men, women, boys and girls sporting new shoes, chances are they were lucky winners of Hutching's Shoes family draw because Harry gave away six pairs of footwear and the following people were the winners: Bridget Chelkowski, 49 Mission Ave., Michelski Rapali, 7612 - 141 Ave.,

dividual contests, giving away hundreds of unrecorded prizes. In view of this The Gazette simply says, "Congratulations to all of you lucky people who won something during Grandin Shoppers Park Grand Opening Celebration."

What's important about tomorrow is today.

Today could be the start of something great. Because to build a better tomorrow, we have to start right now. We have to think about things like family life, the underprivileged, and education for the future.

The Commission on Educational Planning has completed a background study of today's Alberta! And the Commission has quite a bit to say about tomorrow. It's all in a book titled A Choice of Futures.

What should we do today about tomorrow? Read A Choice of Futures. Then decide. Decide for yourself.

Council Roundup

Council approved unanimously that Canada Day, July 1st being a Saturday this year be observed as a civic holiday Monday July 3. In a memorandum from Chief Town Administrator, Dan O'Connell, section 237 of the Municipal Government Act was cited whereby it allows that a council may declare one day or two half days as a civic holiday. Further in Mr. O'Connell's memorandum to council, he revealed that this proposal fulfills a condition of the agreement with CUPE.

This year's total grants budget include the following: Chamber of Commerce \$750.00; Kiwanis \$2,500.00; St. Albert Parish to refurbish Albert Lacombe Museum \$2,320.00; Little League Baseball \$700.00; Indian-Eskimo Association of Canada \$250.00; Breakfast Lions Club \$250.00 and approximately \$100.00 to cover costs incurred in hosting Exchange Students. Two requests for grants were referred to the 1973 budget because the applications were received after the deadline date, they are the Victoria Order of Nurses and the Salvation Army.

Council was informed that the three sets of traffic lights approved and ordered for installation at the intersections of Highway 2 and Hebert Rd., Ball Ave., and St. Anne St. have been back-ordered six months. Councillor R. Hudson registered strong protest against "this back-order routine" and recommended that staff attempt to ferret out a supplier who could give St. Albert a better delivery date.

A motion by Councillor R. Kambourff passed a vote of 5-2 that the storm sewer outlet on Perron Street be repaired this year at a cost within the budget. The two dissenting votes were registered by councillors J. Baker and J. deBruijn.

Town Chief Administrator reminded council that a hearing has been scheduled for July 11 before the Local Authorities Board regarding the sanitary landfill site located on the south-east corner of 28-53-25-W4. Mr. O'Connell's memorandum also revealed that a submission will be prepared and recommended that included in the conditions

therein, the site be covered daily instead of the present three-day interval and that the said land be leased and not purchased.

Council approved the recommendation from J. Beedle, parks superintendent, for the purchase of two lawn mowers at \$270 each and a commercial mower at \$2,900.00. A bylaw is being prepared for the purchase of trucks for the town's fleet.

Local Delivery Service

"No we don't deliver booze," said Doug Phillips, owner and operator of Phillips Messenger & Express, "but we take care of anything else."

This new business, started earlier this month operates around the clock as long as calls come in. Phillips Messenger & Express has, in the short time since its inception, delivered almost everything from steaming hot pizzas for a stag party to surgical instruments for the Sturgeon General.

Operating a new 1972 Econoline, Doug Phillips is licensed to serve a 25-mile radius from St. Albert. He's bonded and fully insured to convey up to about one ton of anything you may have to move from 'A' to 'B' within his business area.

Doug was a television salesman, covering the northern part of Alberta for over six years before deciding to start his own business. His wife takes care of dispatching.

Londonderry, largest shopping centre west of Toronto, will open its doors to Edmonton August 16. A regional centre, its 760,000 square feet will offer the most modern and complete merchandising and service facilities in Western Canada. A development of Western Realty Projects Ltd., Londonderry stands on 52 1/2 acres at 137 Avenue and 66 Street, surrounded by Edmonton's newest and fastest growing residential area. Londonderry is Western Canada's only two-level mall, housing over eighty merchants, included are three major department stores, a huge supermarket, twin theatres, licensed premises, a unique gourmet food fair and year round garden shops. Londonderry is contemporary. Its modern design is characterized inside with three water fountains framed by escalators and open staircases. Outside, the atmosphere is continued by unique landscaping and a gently rolling parking lot. In addition to the shopping complex, a Professional Building, for medical/dental services and a large number of independent merchants, is being constructed on the southwest corner of the site.

Rangers and Guides Hike 22 Miles to Elk Island

Early in June, the First St. Albert Rangers and 14 Guides took a 22 mile overnight cross country hike in the Bruderheim area. The trip was the culmination of a four-week training period during which the Guides were introduced to backpacking equipment, light weight camping equipment and hiking gear. Equipment packing, hiking technique and menus from freeze dried foods was discussed and tried. Many of the Rangers and Guides put themselves into training and began doing some serious walking in preparation for the long hike.

The First St. Albert Ran-

gers hosted the event and Guides from the 4th, 5th, 6th and 7th companies attended. The youngest girl of 11 years of age kept pace with the oldest of 17. This is the first such Ranger-

Guide backpack trip of its kind in St. Albert. The adults involved felt the trip was of much benefit to those who participated and hope for more such programs in the future.

Meeting discusses possibilities for summer youth programs here

Six adults, (three in their role as parents, a representative from the Kinsmen Club, the Kinetite Club and The Gazette) and 12 young people ranging from about 8 - 16 years, turned up for a meeting Thursday night called by Mankesh Kurich of the Preventive Social Services committee, to discuss summer programs for youth.

Mona Acker, PSS director was also present and introduced Mr. Kurich who has been hired to co-ordinate summer youth programs in St. Albert. Mrs. Acker said there was some need for someone to work with young people and to create better communications between them and the community.

Mr. Kurich pointed out that most activities terminate for the summer, and he had heard complaints that kids congregate around shopping centres, the pool etcetera. "As a resource person I need feedback from you," he told the meeting, "and this meeting is open to your ideas and discussions on how to plan a well organized program for the summer." He suggested a student employment committee as one possibility.

Mrs. Acker said a provincial grant of \$200 might be available to set up a job committee. Some young people want jobs - others want things to do - its up to you, she told the students. One young fellow said "We don't want to mow lawns and stuff - open up the gyms, maybe we could help out by sitting with sick people or something - we want to be useful."

"Perhaps we need a student committee, a com-

mittee to investigate maximum use of facilities and a steering committee, which could become a permanent year-around thing" said Mr. Kurich, "as soon as we are in a position to develop the actual committees needed."

A young girl suggested that students might be able to take children of working mothers on outings, or help take care of handicapped children. A woman enquired as to the possibility of young people supervising tot lots. A father wondered if we should be looking at a new recreation centre for St. Albert.

Mr. Myrthue of the Kinsmen asked Mr. Kurich how many organizations were contacted to be at the meeting. He was told - all local clubs, the department of parks and recreation, ministers, priests and young people were invited through the schools, adding that not all the schools got the announcement over their loud speakers. "It seems to me you are putting the cart before the horse" said Mr. Myrthue. He felt that just phoning all the organizations was not enough - we need something down on paper for a starting point, and maybe the young people themselves have to be organized first. "We can't help much until it is clear what the kids want - and just what kind of assistance they need."

It developed that Mr. Kurich had met with 25 young students the previous Monday at the teen centre, and it was expected they would be out to the meeting Thursday, along with a parent. A youngster offered the opinion that most of those

kids were from Father Jan School, and it was handy for them to drop in at the teen centre for the meeting.

A young person asked if St. Albert could have a tourist bureau. Another student said that even if doing volunteer work, regular hours were important. Collette Meunier said she was there to find out if an adult could be found as an adviser to the teen centre, which the teens were planning to remodel during the summer. Another parent, Rev. Musto, and two more older teenagers joined the meeting about 9:30. In the meantime some of the students had left. Father Duchesneau who had a previous commitment came in later.

Mr. Garvin said that while he had lived in St. Albert for some time, he had not become involved in community affairs other than where his family was involved, and felt this could be true of all but about two per cent of the people here. We are probably more affluent than most towns as well, he thought. Another father said he had a trailer and he and his family were out in every possible chance during the short summer, and he thought this was true of a great many local families as well.

Rev. Musto agreed with these two men, and said "possibly we should be educating young students in good use of leisure time, rather than trying to get them jobs - because I think that is what we are coming to. Adults, too, need such education," he said.

Miss Meunier thought a student placement office might be worked through the

Principal Rod Thronsdon and Librarian Bernice Poulin said thank you to a group of parents who have served as volunteer library assistants at the school over the past school year, by taking them to lunch last Wednesday at Sir Arthur's. The mothers served regularly throughout the year on the basis of one per day and extra assistance when needed. They proved themselves a most capable, dependable and helpful group, and the school is looking forward to having them back next year. From left are Mr. Thronsdon, Margaret Romaine, Janes Cotton, Carlee Adams, Barbara Broomhall, Betty Willems, Donna Iddings, Molly Tomlinson and Mr. Poulin.

teen centre by putting in a regular telephone. The centre presently has a phone booth. The students themselves would operate it. Mr. Myrthue said he had nothing concrete to take to the Kinsmen Club, which does not meet again until September. But if the students could set up such an exchange to find out who could use summer help and provide the students, then they could work through Mr. Kurich whose function was to co-ordinate such activities.

One of the fathers felt the meeting should be getting down to some specifics as nearly all discussions had been on generalities. Mr. Kurich said the general discussions were needed before getting down to the specifics. The gentleman however, persisted that some concrete proposals were needed, and said he had to repeat his former question - "Where are the 25 young people you met with last Monday?"

Following adjournment a number of the young people had some questions for Mr. Myrthue. On the subject of a tourist information booth, he said he would look into a booth being made available by the Kinsmen, and they might check with Mayor Gibson on the matter of a location for it.

Hen House Coiffures Opens In Grandin Mall

Out of a family of seven daughters and one son, the Zya family, formerly of Spirit River, Alberta have contributed five qualified hair stylists to the beauty coiffures profession. Of the five Zya (pronounced Zeeha) hair stylists, John, owner and operator of Hen House Coiffures Ltd., 10064 Jasper Ave., Edmonton employs his sister Barbara Wilson who has now become manageress of the new Hen House Coiffures in the mall at Grandin Shoppers Park, St. Albert.

Originator of the Hen House Coiffures Ltd., John Zya three years ago opened his first beauty parlor and has been enjoying progress

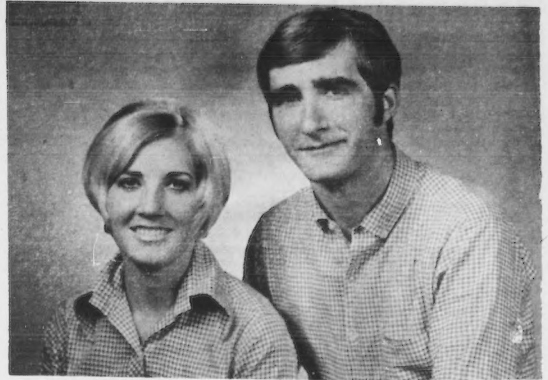

ever since, having lived in St. Albert a few years ago and watching this progressive community grow by leaps and bounds in recent years. John thought Grandin Shoppers Park would be the natural place to open a branch outlet.

Since signing the lease for 800 square feet in the mall in Grandin Shoppers Park Mr. Zya, his brother-in-law Jim Pace, other members of the family and friends have been busy every night and on weekends getting the place ready for the grand opening today. The Hen House Coiffures' decor, is of a farm home in the 1800's, complete with chickens and their brood

roaming about the place . . . much as was the habits of farm fowl a long time ago.

In contrast to the above vintage scene, Mr. Zya uses the most up-to-date equipment, employs highly qualified operators and insists on giving his customers precisely the hair treatment and style they want. It was especially his consistent artistic touch, competitive prices and good service which have contributed to his spectacular success.

To start with, Mr. Zya will have two operators in the Hen House here in St. Albert, including his sister Mrs. Barbara Wilson and Eleanor Sawers of St. Albert.

Hercules Soccer League Standings

The four teams of the St. Albert Hercules Girls Softball League Midget Division wound up their 1972 spring schedule last week with the Kallough Colts crowned league champions.

It wasn't quite that easy, though, as Coach Norm Murray's winners were knocked from the unbeaten ranks by the runner-up Dairy Queens recently when the red-jerseyed Queens "creamed"

them twice in one day's action. The first, a 7-0 forfeit, came when the champs were unable to field a squad of nine softballers within a proper time limit. Later, with a full team in attendance, the usually-high scoring Colts were cooler than a "misty drink" losing to the D-Q's, 22-6.

Another surprise in league softball action occurred as the basement dwelling

Giants ran roughshod over the Texaco Tigerettes, 24-12, for their first win of the season.

Play-off competition is underway this week.

Bailey and Biggs spark Saints for two wins

Behind the fine pitching of young Wayne Biggs and the clutch hitting of veteran Arnold Bailey, the St. Albert Willowbrook Saints were double winners last week. The wins boosted the Saints into second place in the Sunburst Baseball League with a fine 6-3 record.

Last Wednesday the Saints behind the six alt pitching of Biggs scored a close 4-3 win over the Edmonton Cardinals. Saints jumped on Cardinal starter Dave Kryskow for two runs in the first on a single by Henry Hodgson and a double by Chester Cunningham. Cunningham then scored on Hank Reinbold's double. In the fifth inning Louis Martineau walked and came home on Henry Hodgson's homer for their final two runs and a 4-0 lead.

a double in the eighth for their final two runs. Biggs chalked up seven strikeouts while picking up the win.

On Thursday the Saints travelled to Camrose for their first meeting of the year and had no trouble in posting an 8-2 win. This was only Camrose's second defeat of the year. In the fourth inning the Saints sent 11 men to the plate, resulting in five hits and six big runs. Chester Cunningham started things off with a single and went to third on Bailey's single. Hank Reinbold reached first on an infield error and two runs scored on Larry Wolbeck's double. Coach Larry Murray singled home Wolbeck and then scored on Jim Nelson's double. Nelson came home when pitcher Glen Winder reached first on an outfield error.

Saints came up with single runs in the fifth when Reinbold scored on Wolbeck's second double of the game, and Bailey came home in the sixth on Wolbeck's third straight hit.

Camrose managed two runs in the eighth on three

ARNOLD BAILEY

consecutive hits. Winning pitcher Glen Winder had complete control of the game with six strikeouts while allowing eight scattered hits. Wolbeck and Bailey led the Saints at the plate with three hits apiece.

Manager Rudy Scheibhofer was also pleased at the work of Louis Martineau who traded his all-star outfield glove for the catcher's mitt. Martineau's peg to third baseman Cunningham was perfect in the fifth to catch a sliding runner from the third out and halt a Camrose rally.

WAYNE BIGGS

Biggs had things under control until the seventh, when he allowed two base hits and one run. Losing pitcher Dave Kryskow hit

Fastball League

Three home-runs were all Stony Plain Playboys needed as they came from behind a 2-0 deficit to score a close 4-2 win over Calahoo last Monday in a league game. Gerald McGinn won his own game in the fifth with his four bagger.

CJD - A-1 behind the strong pitching of Dick Bird handed Spruce Grove Panthers their first loss of the year with a 9-0 win. Bird's double in the first inning scored two runs and this was all he needed.

Spruce Grove Eagles scored six runs in the first inning and then held on to defeat Grandin Esso Tigers to a 7-6 loss. Greg McRae had a grand slam for

the Tigers. Last Wednesday Grandin won their first game of the year with a 16-4 win over Villeneuve. Winning pitcher Mike Hampel also had a home-run as did Brian Funnel for Grandin.

Hercules Sports Association plans summer soccer program and instruction sessions

This is the last week of the current spring schedule and in order to determine league champions in the various local leagues, coaches are requested to play any games that had to be postponed, during the next two weeks.

The number of postponed games in each league are as follows: Mites 4; Atoms 3; PeeWees 9 and Bantams 3.

During July and August teams will be playing a one game a week schedule. Coaches will be contacted during the next few days to determine their availability. It is appreciated that everyone will be taking vacations and teams can be made up to strength using any non registered boys in the same age group provided that all available regular team members are included in the team. No record of results will be kept. This schedule will start in the week commencing July 10th.

Mite, Atom and Bantam games will be played on Wednesday evenings and PeeWees on Thursday evenings. Kick-off times will be the same as the current schedule - 6:45 p.m. and 8 p.m.

The primary intent is to keep the boys active in soccer and help to improve their skills.

As a result of the many enquiries from parents whose sons were too young to register for soccer we shall be holding soccer instruction sessions for boys who were born before Jan. 1st, 1967.

For those boys who live on the west side of #2 highway, sessions will be held on the Sir George Simpson soccer field on July 11 and 25

and for boys who live on the east side of the highway at Paul Kane soccer field on July 18 and August 1st.

Sessions for boys born in 1966 will be from 6:30 to 7:30 p.m. and for boys born in 1965 will be from 7:30 to 8:30 p.m.

As this is something we have not attempted before we do not know how large a turnout we can expect, but we can cope with up to approximately 120 boys at each session.

We request that each boy who attends these sessions bring with him a piece of paper on which is listed his name, address, phone number and date of birth. This will help greatly with the organization.

All boys should wear running shoes. The sessions are free and hopefully everyone will enjoy themselves.

LOOKING AHEAD AT SOCCER

During the past five years Hercules Soccer has grown from a nucleus of 25 boys to a current registration of over 350.

Our aim during the next five years is to develop Hercules Soccer into an independent soccer organization with its own premier and local leagues so that we can provide top class St. Albert representation in Provincial and National competitions.

In order to achieve this we require to develop additional coaches and referees and we are looking to the present day 12 to 16 year olds to assist where possible as coaches or referees so that in three to five years they will gain the competence necessary to provide training and leadership. Any boys who would be

interested in assisting as coaches or referees during July and August should ask their team coaches to recommend them. Coaches are requested to phone Ken Armstrong at 599-8081 and provide the boys name, phone number and the team he is currently playing for.

During the summer we shall also have exhibition games between the representative teams and all-star teams from the local leagues.

COACHES SPECTACULORS

July 15 at 2:30 p.m. is the time scheduled for the first of this year's Coaches Spectaculars. A team comprising of coaches will be playing the Juvenile All-Star team at the Sir George Simpson soccer field. I understand the coaches have been offered a "special" on linament and oxygen.

Despite the odd grey hairs the coaches are by no means considered to be pushovers. Last weekend about a dozen boys from the representative teams, most of whom were Atoms, are reported to have collected \$200 at the St. Albert Shopping Centre on behalf of the Uncles at Large appeal. Your support was very much appreciated.

Starting in September local league teams will be involved in round-robin handicap tournaments. The top two teams in each league as a result of these games will play-off in a championship final to determine the handicap championship of each league.

Handicaps will be based on goal averages resulting from the last 10 games of the current schedule.

The Sturgeon Golf and Country Club is in excellent condition thanks to the hard work of pro-Mike Tomash (left) and his assistant Ralph Strand. The course has been switched this year with the back nine being changed to the front nine. The spring water problem on old 17 has been solved by means of a gigantic dike along the north side and proved successful in stopping the flooding from the Sturgeon River. The tee is almost ready and the green is finished with three well placed sand traps.

Phillies continue winning ways

It was Edmonton scalp #2 for the league champion St. Albert Phillies last Thursday as they trounced the Ingewood Community League (Mosquito A) baseball nine in Edmonton, 21-6.

The once-beaten Phillies used four hurlers in the battle. In addition to starter Bernie Penner, Larry Schuchard, Pat Merrigan, and Dave Lacroix took turns on

the mound to hold the big Ingewood bats to a total of three hits.

The game was played in accordance with regular Alberta Baseball Association rules as was the other St. Albert victory against an undefeated Kensington (Mosquito A) division team earlier in the month.

In regular and exhibition play this year, the Phillies have won 15 of 16 games.

THANK-YOU

Mr. and Mrs. Lionel Forcade and family wish to express their sincere appreciation to their many friends, neighbors and relatives for their kindness and expressions of sympathy during our recent bereavement in the loss of our dear son and brother.

Mr. and Mrs. Lionel Forcade and Family.

Legal buzzes with plans for a Village spree

By Lucienne Montpetit

Fete au Village is the main topic of conversation in Legal these days. Everyone is hustling and buzzing to get everything underway for the two day celebrations on July 29 - 30.

Regardless if the weatherman co-operates or not preparations are being made so that the festivities will continue on schedule "rain or shine."

Fete au Village promises to be bigger and better than ever.

A new attraction this year

Samis Zima Wedding

By Norma Crozier

On Friday, June 16, Norwood United Church was the scene of a candlelight wedding, uniting Robert Sinclair Samis, son of Mr. and Mrs. Ted Samis and Margaret Maria Zima, daughter of Mr. and Mrs. Milo Zima, all of Namoo.

The Reverend Dr. E. Miller performed the double-ring ceremony before the altar decorated with baskets of pink peonies and roses.

The bride, entering the church with her father, was radiant in a white nylon chiffon gown with fitted bodice of Swiss lace, which also

is the beer fest held in the arena with doors opening immediately after the parade, featuring entertainment variety foods, pop for the kiddies, beer mugs will be sold so you can take home a souvenir from Legal.

Fete au Village combines costumes, the color and spirit of the "old old days with many amusements of the modern times.

The celebrations will kick off with a free street breakfast (pancakes a la Canadienne); parade, midway, \$1,000 ball tournament, barbecue both days, gymkhana,

formed the cuffs and caps of the full sleeves. Her shoulder-length veil was held in place by a pearl Juliet cap. The bride's bouquet was a cascading nosegay of pink roses, baby's breath and lily.

The maid of honor, Carol Crozier and bridesmaids, Beatrice Zima, sister of the bride and Lori Samis, sister of the groom, and flower girl Karen Caruthers, niece of the groom, wore identical floor length gowns of floral pink chiffon over tulle. They were styled with full skirts, short puffed sleeves, and high bodices, accented with green velvet trim. The bridesmaids carried cascade bouquets of pink carnations and mums. Karen carried a white basket of dainty pink spring flowers.

Attending the groom were Alan Crozier, Norman Forland and Ronald Crozier.

The ring-bearer was Paul Zima, brother of the bride. The soloist was Mrs. Ronald Nelson and the ushers were Mr. Tom Crozier, and Mr. Charles Samis, brother of the groom.

For her daughter's wedding, Mrs. Zima chose a floor length gown of mauve satin back crepe and wore yellow roses en corsage. Mrs. Samis wore a floor length blue floral print gown with corsage of yellow carnations. A dance and reception for 300 guests was held at the Norwood Legion Hall, with Mr. Hugh Crozier acting as master of ceremonies. Mr. Clayton Crozier proposed the toast to the bride.

Mrs. Jean Kiska, an aunt of the bride, arrived from Czechoslovakia for the wedding.

Following their honeymoon in Penticton, the happy couple will reside in Edmonton.

A reporter was interviewing an actress and her equally famous husband after a wild party at their Beverly Hills estate.

"What do you do with party leftovers?" the reporter asked.

"We usually call taxis," said the actress.

"If they wake up in time, we start another party," said her husband.

French cuisine, horseshoe, bingo, pancake eating contest Sunday afternoon at 4 p.m. on the bandshell, demolition derby, tea room, "Pizza Place" a favorite with the teen-agers. Tickets sold on a Trip to Spain will be drawn Sunday evening at the Citadel Jamboree, entertainment program in the arena. A gigantic display of fireworks will conclude the festivities. These are the kind of things that add up to a French Canadian village on a spree... of music, fun and laughter.

Plan ahead to attend and meet your friends at Fete au Village - the best in family entertainment.

Ernest Forcade dies at 43

By Lucienne Montpelt

Ernest Forcade passed away suddenly of a heart attack on June 20th at his home in Edmonton at the age of 43 years.

Ernest was born in Vegreville in 1929 and moved to Legal as a young boy with his parents in 1933. He was raised on a farm south-

west of Legal and received his education and graduated from the Legal High School.

A few years later he left the farm to find employment in the city. The deceased was a frequent visitor in Legal and enjoyed chatting with his old friends. At the time of his death he was employed by Western Hydraulic.

He leaves to mourn his loving wife Eva, two daughters Terry and Debbie one son Craig, his parents Mr. and Mrs. Lionel Forcade, one brother Leonard, Legal

and one sister Mrs. Lorette Craig, Morinville.

Funeral services were held Friday, June 23 at the

Connelly McKinley Chapel. The community expresses their sincere sympathies to the bereaved families.

Sturgeon Heights class welcomes speakers

Grade VI of Sturgeon Heights School organized meetings with speakers to visit their social studies classes. Father Denis Hebert spoke about his work with the poor of Lima, Peru. He showed samples of their handicrafts.

Judy Hebert showed slides and handicrafts of her visit to Hawaii. Miss M. Wolniewicz showed slides of her recent visit to Jamaica, and of her visit to the Lost City of the Incas in Peru.

We thank them for their contributions to our learning.

Karate is the "In Thing" for young and old. Come and enjoy a Karate demonstration put on by the Four Seasons Karate School at the Fete au Village. The techniques of this ancient martial art provides an efficient method of self-defence while building strength, co-ordination, sportsmanship and self-defence. This is just one of the top entertainment you'll see on July 30 at 8:30 p.m. in the arena.

Winners named in French oratory

By Simone Chauvet

The Legal School held its annual French Oratory contest, "Le Concours Oratoire," recently. Judges for the evening were Mrs. Potvin from Edmonton and Mr. Laurent Beaudoin from Beaumont. In advanced French, grades 1 to 12 participated. In oral French, grades 1 to 9 participated. There were thus a total of 45 participants in all.

For the advanced French, the winners were as follows: Grades 1 to 3, Maurice Chamberland and Paulette Dube; Grades 4 to 6, Donald Chamberland and Bernadette Colombe; Grades 7 to 9, Richard Charrois and Patricia Montpetit; Grades 10 to 12, Clemence Provencal and Donald DeChamp-lain.

The winners for the oral French were as follows:

1 to 3, Mary Lyn LaBerge and Brian Cornelius; 4 to 6, Daniel Pelletier and Lorette Fiezer; 7 to 9, Rudy Chailfoux and Marlene Zilinski.

Each student was presented with a trophy on which his name will be engraved. An Honor Roll presented a list of all the benefactors, who every year make the Concours Oratoire possible by their generous donations.

Mr. Pierre Monod, Mr. Jules Larose, Mother Florence Keegan, Provincial of

the Grey Nuns, Mr. and Mrs. Henri Montpetit, Les Dames Grelottantes, The CWL, the Knights of Columbus, The Co-op, The Recreation Board, The School Board, The Students' Union. Sister Blanchette and Mrs. Nault had decorated the gymnasium for the occasion. Sincere thanks to those who came to encourage their children and friends.

The rumor going round that Thelma Everitt got her big black eye when she asked her boss for a raise is entirely without foundation, says her husband and employer, Keith. Unfortunately a stumble resulted in Thelma getting a rather nasty bruise to the eye area during bumping a piece of equipment at Nan and Keith's Meat Market in Gibbons.

Labonte-Fluet Nuptial In Morinville

By Rose Martel

St. John the Baptist Roman Catholic Church in Morinville was the scene of a pretty summer afternoon wedding recently, performed by Rev. G. H. Primeau, pastor, when Miss Evangeline Labonte, daughter of Mr. and Mrs. Lucien Labonte of Morinville, and Mr. Louis Fluet, son of Mr. and Mrs. Charles Fluet, of Meadowview, Alberta, exchanged vows in a double ring

Gibbons processing Mobile Homes discounts

Information on Homeowners Discount tax refunds for Mobile Homeowners was clarified at the June 14th meeting of Village of Gibbons Council, and there are three main regulations to be borne in mind by those concerned.

Separate application forms for mobile homes are being provided by the Department of Municipal Affairs, and will be mailed to all mobile homeowners as soon as received.

The total license fee for the applicable year MUST be paid before an application can be validated.

If a refund of license fee is requested for a portion of the applicable year, the Tax Discount must be refunded.

Mr. L. Coulombe a co-ordinator for the Step summer program with the MD of Sturgeon, attended the meeting. He discussed with council the possibility of a contribution for providing entertainment for the senior citizens of Gibbons. Council are in favor of the project and some help can be expected.

The dog problem was discussed, and council had received the offer of a volunteer to serve as a dog

catcher. As soon as arrangements are made he will be given authority to proceed with his duties.

Two councillors will attend the meeting to be held with the MD in protest of the closing of the garbage dump near Bon Accord.

A representative from the recreation board attended, seeking information from council on the constitution and bylaws of the board, and the one mill set aside for recreation.

Mr. S. Holmes agreed to attend the meeting in Legal on June 16 of the Senior Citizens Foundation.

Bob "Tassie" Mason arrived Friday at the home of his in-laws, Mr. and Mrs. Simon Oulmet, whom he met for the first time since his marriage to their daughter Linda, in Sydney, Australia in April of 1971. On Sunday a family supper was held at the Oulmet's home when all the relatives gathered to meet Tassie. He and Linda left yesterday for a week in Jasper and Mr. Mason has three week's leave from the Australian navy. Linda has been visiting her parents for several months.

Mr. and Mrs. Lucien Labonte of Morinville, and Mr. Louis Fluet, of Meadowview, Alberta, exchanged vows in a double ring

ceremony. Given in marriage by her father, the radiant bride chose a model gown of white nylon crepe, lace trimmed, featuring an empire waist, mandarin collar and lily point sleeves, and an A-line skirt. Her long lace-edged net veil was held by a crown of white miniature blooms. She carried a sheaf of yellow roses. Her bridesmaid was her sister, Miss Yvonne Labonte of Morinville, and

herself, Rev. G. H. Primeau and the Hon. Horst Schmid, parade marshal with the Morinville Drum and Bugle band and other visiting dignitaries the parade opened the festivities Saturday morning. Despite

the driving rain, and mud on their feet, down the main street they came, to the cheers of a large crowd sheltered in cars and doorways.

The winners of the parade were: First - Wetaskiwin Snowmobile Racers; Second Alexander Reserve Float; Third - Morinville Fire Department Float; Honorable Mention - Bicycles, the Car-diff Kids and the St. Albert group; Pony Draw - Petite Wendy Bjork, grand-daughter of Mr. and Mrs. Mike Hittinger.

Winners of other draws: \$100 Bill by Morinville Lions - Mr. Walter Chubb of Bon Accord; Trip to Mexico-Mrs. Georgette Champagne of Morinville.

One of the highlights of the 1972 program was the outstanding display of local arts and crafts in the Cunningham school building. Hon. Horst Schmid, minister of culture, youth and recreation; M.L.A. Ernie Jamison and Mrs. Jamison, along with many other visitors, had nothing but favorable comments for this exhibition of local talent from many lands and age groups. Due to the very wet condition the eighth annual Frontier Daze program had to be curtailed to indoor activities.

Chairman of the executive committee, Pete Gibeault, stated that a Sunday afternoon program in July is being considered, to have the demolition races, baseball games and finish off the day with a Texas barbecue. However the famous baseball games between the P.C. Pundits and the Morinville Pillars is not yet assured.

VILLAGE OF LEGAL

Public Notice

Notice is hereby given that the Village of Legal intend to purchase certain properties outside of the Village boundaries and within the Municipal District of Sturgeon for utility purposes.

Any person or persons having objection to the above plans may file such objection to the Village Secretary in the Village of Legal before July 21, 1972. A hearing will be held in the Village Office on July 24, 1972 to review objections received if any.

Dated this 26th day of June, 1972.

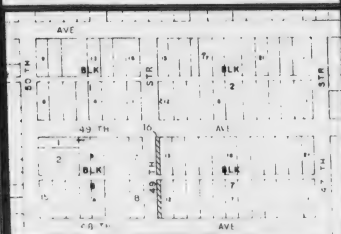

Agnes Montpetit,
SECRETARY-TREASURER.

VILLAGE OF LEGAL

Notice of Public Meeting

Notice is hereby given that the Council of the Village of Legal intends to enact a bylaw pursuant to Section 175 of the MUNICIPAL GOVERNMENT ACT, 1968, as amended.

The purpose of the said bylaw is for closure and sale of the easterly 16 feet of 49th Street between 48th and 49th Avenue as shown on the accompanying sketch. This portion of street will be consolidated with the adjoining lots.

POSITION OF ROAD TO BE CANCELLED

The proposed bylaw may be examined during normal business hours at the office of the Secretary Treasurer at Legal.

A public hearing will be held in the Council Chamber on July 14, 1972, commencing at 2 p.m. in order to hear any objections to the proposed bylaw.

Objections shall be submitted in writing prior to the meeting. They will be received by the Secretary Treasurer at her office until 5:00 p.m. of July 13, 1972. Those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Agnes Montpetit, 1972
SECRETARY-TREASURER.

Thank-You Folks!

Our Grand Opening Days were a great, wonderful success, thanks to all the wonderful folks who came and visited us during June 22, 23 and 24 in Ducky's Tavern.

Special thanks to all our out of town and local guests, who helped in many ways to make our Grand Opening a special event in our community of Bon Accord.

Mr. Ernie Jamison, M.L.A., who officiated at the ribbon cutting ceremony with members of our family, Reeve of the MD of Sturgeon, Mr. Walter Van de Walle, Mayor Elmer Brennan, Village Councillors - William Deedman and Jim Nickerson, and MD Councillor for Division 7, Walter Jerram, honoured us with their presence accompanied by their ladies. Other guests who assisted us were Mrs. Rose Martel of the Sturgeon Gazette and Mr. Gerry Pelletier, Corporal Harvey Copland, and Corporal George Walker, who parachuted on target for the occasion, and members of their crew from Namao Air Base, Corporal Dave McBride and Ted Holmes. On behalf of our staff and Madeleine's Cafe - THANK YOU ONCE AGAIN.

MORINVILLE MEMOS

By Rose Martel

Congratulations to Mr. Albert Craig, who was chosen Citizen of the Year 1972 by the sponsoring award organization, the Morinville Lions Club. There were six sealed nominations presented to the Lions Committee. A panel of impartial judges comprised of Corporal David Rooke of the RCMP, Camille Gregoire, manager of the Royal Bank, and Rev. C. H. Primeau, opened the entries, read and evaluated the biographies and list of achievements. The winner of the annual Lions Club Award was announced last weekend by Lion President Robert Anderson.

ROGER BLACKBURN
Newly elected chairman of the Thibault School Board in Morinville.

Congratulations to Mr. and Mrs. Victor St. Louis who welcomed their first born, a girl, Catherine Jean June 16 and to Mr. and Mrs. Willie Windsor on the arrival of their first baby Tammy Lynn Laverne, June 13.

Last reminder for all senior citizens who wish to take part in the coming tours, that they must register with Mrs. Ram DeTennancourt BEFORE THE DAY OF THE TOUR, as the seating capacity on the chartered bus

is 30 individuals only per tour.

On July 5 a picnic and fishing expedition to Long Lake is taking place, weather permitting. Bus leaves Morinville Centre at 9 a.m. sharp. Each one is to bring lunch and their own brand of refreshments for the day.

The next scheduled outing is scheduled for Wednesday, July 26 when Fort Edmonton will be visited and a tour of Grandin Village and the Museum in St. Albert will take place on the way home. All those 60 years and over are welcomed to register now, for that day with Mrs. Ram DeTennancourt.

Bon Accord dump open to December

Councillors Deedman and Nicholson and the secretary treasurer had attended the meeting at the MD office, Morinville, on June 15, in connection with future refuse disposal areas. They reported to the June 19th meeting of Bon Accord council, that the Bon Accord nuisance ground will be available until December 1, 1972. Alternative sites are being investigated and council will be notified of further developments.

Mr. Laurent Coulombe, an employee of STEP, who is working for the summer under Mr. Carl Royan, regional director for the MD of Sturgeon, met with council to explain his proposed project to organize senior citizens' club throughout the MD. An initial meeting with films is planned for Monday, June 26 at Bon Accord at which time Mr. Coulombe hopes to find out what the feeling toward such an organization might be. His request for a financial contribution to such a club, should one be organized, is receiving consideration of village council.

An enquiry had been re-

ceived about moving in a duplex from the city onto Lots 9 and 10, Block 5. This did not receive the approval of council.

Mr. Walter Franci, engineer and Mr. George Frieser of Marlo Homes, met with council to clarify the position in regard to the northeast subdivision. Mr. Frieser explained that his company had encountered problems in meeting the conditions of the development agreement, causing delay, but assured council that the requirements would be met by the end of June. He apologized for any inconvenience he had caused.

Bylaw #56, re. gas franchise was given second and third readings and passed unanimously.

Among other village matters to come before council were cave-ins, culverts and gravelling, litter containers, re-location of playground equipment and faulty street lights, all of which will be attended to in due course.

Holidays were scheduled as follows: secretary treasurer July 31 to August 12 inclusive, maintenance man July 3 to 15 inclusive.

Johnny Forrest, a top scottish entertainer featured each week on Don Messer's Jubilee will perform at the Fete au Village in Legal this year. He'll be singing playing the accordion and giving out with his own special brand of humor at the grand finale variety program in the arena July 30, and is sure to be a crowd pleaser.

Mr. Laurier Fecteau from Dalhousie, N.B. was a visitor in Morinville, last week, a guest of Mr. Hector Gibeau. He flew west for the first time and was a former pupil of Rev. Sister Fleurette Gibeau, when she was stationed in N.B., who is a sister of Mr. Gibeau, still teaching in Vimy this last term. Mr. Fecteau was amazed at the size of local farms and the size of machinery used. He visited Al Cerning's Farm and saw his first live tiger, lion and giraffe. He also toured the district with his host and has nothing but praise for western hospitality.

Congratulations to Paul Labonte and his recent bride, Fernande Colon, who were married in a private ceremony in Edmonton, June 17. Following the wedding ceremony, a champagne party and reception for a small group of invited friends was hosted by Mr. and Mrs. Louis Rondeau in Edmonton. For her wedding the bride was charming in a white French imported wool suit with large rose embroidered trim, white accessories and a corsage of roses. Mr. and Mrs. Paul Labonte are making their home in Morinville.

Matt Tellier who recently resigned as chairman of the Thibault School Board assumed the duties of secretary-treasurer for the same board on June 19, replacing Paul Brochu. Roger Blackburn is the new chairman, Ann Kryskow, vice chairman and other board members are Yvonne Leduc and Alice Woytkiw. Election for a new member to fill the vacancy will be called in September.

Some 600 students from Morinville schools are enjoying their summer holiday from June 23 on. The fall term will begin on Monday, August 28 for all classes.

Mr. and Mrs. Wilfrid Labonte accompanied by Mr. and Mrs. Roland Gamache are on a three week motor trip to LaBelle Province de Quebec.

Mr. and Mrs. Denis Pasay and son Jeffrey, moved to their new home in Redwater, last weekend. The new residents of the former Pasay home in Morinville are Mr. and Mrs. Wayne Boddez.

Recently Mr. and Mrs. Marcel Pelletier and family moved to Edmonton. The new residents in their former residence in Morinville are Mr. and Mrs. Arthur Logan and family.

Mrs. Arthur Kleser and children accompanied by her brother Roger, travelled to Prince George, B.C. where her daughter, Yvonne will spend the holidays with her uncle and aunt, Mr. and Mrs. Michel Labonte.

Wilfrid and Philip Caouette recently motored for a mountain holiday to Banff and Jasper and the ice fields

BON ACCORD ACTIVITIES

By Sadie Allen

Services at the United Church will be cancelled for the first three Sundays of July as Mr. Miller will be away on holidays. Regular services will resume on July 23 at 9 a.m.

School closing exercises were held on Friday, June 23. Presentation of book awards were made by Trustee Reg Austin to the following pupils: Grade 1, Maureen Hewitt; 2 and 3, Chris Carleton; 3, Doris Braun; 4, Darcy Krysko; 5, Brian Bland; 6, Sandra

Budzinski; 7, Lori Pawluk; 8, Jacque Morris; 9, Cynthia Woylka; Special class, Dan Stinson.

Congratulations to Sandra Budzinski who has won first prize for her essay on Safety for this division. On behalf of the division Mr. Robinson presented Sandra with a plaque.

We are sorry to hear that Miss Kerr, who has been library supervisor in the division for several years, is leaving. On behalf of the teachers Mr. King made a presentation of a number of pictures and Eskimo Art in honor of Miss Kerr to the school.

Providing the weather co-operates, the Bon Accord baseball tournament will get under way on Saturday, July 8th with Redwater meeting Morinville at 11 a.m., Glenora vs Grassland at 1 p.m., Bon Accord vs Lamont at 3 p.m., and Legal vs Vimy at 5 p.m. Semi-finals will be played at 11 a.m. and 1 p.m. on Sunday, July 9 with the final game getting underway at 4 p.m. The Horse Show and Gymkhana will be held on Saturday, July 8 and should prove interesting for contestants and viewing audience.

Get well wishes to Alice Strawson who is in hospital having undergone surgery.

Mrs. Don Bland entertained members of the ACV at her home on Tuesday, June 20th.

A special meeting on June 15 was held at the village office with Mrs. Alward and Associates, also town planner Mr. Wayne Gordon, engineers and village council. A discussion on the annexation of the land south of the village was held.

A bingo sponsored by the Local Association of Gibbons Girl Guides was held June 16 and despite the rain a very good crowd participated. Proceeds go to help the guides travelling to summer camps, and to set up a camper's fund for future use. Edna Noel, district commissioner, expressed her appreciation to the people in the community who helped the work of the guides in many ways during the year, including those business people who donated prizes for the bingo: Jack Hogg, Gulf Service; Seed Cleaning Association; Norman Knott; Family General Store; Gibbons Hotel; Nan and Keith's Better Meats; Heinrich Farms; Highest Farms; St. Nicolas Potato Farm; Morris Hardware; Morin's Groceries; McLean Bros; Earl Toane; Sunday School Circle; Hotden Drugs; Ann Demare; Smiths Trailer Court; Loblich Enterprises and Local Asso-

CARD OF THANKS

We wish to express our sincere and heartfelt thanks for all the expressions of sympathy, spiritual offerings and flowers received during our recent bereavement in the loss of our beloved husband and father, Hildege Polrier. Thank you also to Rev. G. H. Primeaux for his message of condolence, the contribution of the church choir, and the ladies who served the lunch after the funeral were also much appreciated. Also we thank Drs. Norman McDonald and A. Prakash, and all the staff at the Sturgeon General Hospital, for the wonderful care given Mr. Polrier during his long terminal illness. The kindness and help from neighbors, friends and relatives were deeply appreciated.

Madame M. L. Polrier & Family, Morinville.

1000 attend opening of Ducky's Tavern

By Rose Martel

The grand opening of Ducky's Tavern in Bon Accord Hotel was held on June 22 with a ribbon cutting ceremony performed by Mr. Ernie Jamison, MLA assisted by Brian and Pauline Grant, children of Mr. and Mrs. Don Grant. Also present were Mrs. Jean Grant, hostess at the hotel, Mayor Elmer Brennan, village councillors, William Deedman and Jim Nickerson and their wives, Reeve Walter Van de Walle and Mrs. Van de Walle, MD Councillor Mr. Walter Jeram, Mrs. Ernie Jamison, Mrs. Rose Martel, Mr. Gerard Pelletier and Mrs. Madeleine Mason. A large group of local residents were also present for the official ceremonies.

Master Corporal Harvey Copland parachuted, executing his 500th jump to begin the festivities. A second member of the Namao Air Squadron, Master Corporal George Walker also parachuted on target, a few yards from the door of the hotel. Other members of the air crew were Corporal Dave McRie and Corporal Ted Holmes, who was on leave from the Naval Air Force from the coast, who helped organize the drop.

Mr. and Mrs. Grant hosted some 1,000 guests during their three day grand opening.

The legend of "Ducky" is a true story that happened years ago in Cardiff the boyhood home of Donald Grant. One bright Sunday morning, as a young boy, dressed in his Sunday best,

Learn to enjoy the things you dislike and perhaps you'll find another way to enjoy life.

If you don't believe in signs, don't try to operate a car.

Donald was going to church located a few hundred yards from the Grant home. Passing a large pond on the way and being a normal boy, Donald had to detour from the path and walk close to the pond's edge, resulting in a free swim in the pond, Sunday clothes and all. The understanding minister, during his sermon, referred to the lovely spring morning and remarked that a big fat duck was seen swimming in the pond at church time. The name "Ducky" has remained with Donald ever since. There is the legend of "Ducky's Tavern" and a friendly place it is for all to meet.

Two parachute jumpers from Namao Air Base added to the enjoyment of the crowd on hand at Thursday's opening of Ducky's Tavern. For Corporal Harvey Copland it was his 500 jump.

LEGAL LOCALS

By Lucienne Montpetit

Anyone wishing to perform at the Fête au Village should contact Ray Tremblay, Mrs. Jos Nault or Mrs. Lucien Montpetit as soon as possible.

The people of Legal were sorry to hear that Sister Yvette Lapointe passed away

suddenly on June 25 at Malborough, U.S.A., at the age of 64 years. She was visiting with her sister before coming to the Grey Nuns Regional Centre in Edmonton.

Sister Lapointe was in Legal for 11 years so she is well known in the community. She taught high

school for several years to become principal. Residing at Fort Smith, the deceased as been Provincial of the Grey Nuns for the North for several years. Funeral services were held in Montreal.

Returning from a nine week holiday to the Seychelle Islands with their family they hadn't seen for some 20 years, Mrs. Simone Couture from Ottawa and her sister Frea Hickey from Edmonton stopped in Legal to visit with their friends. Both former residents of Legal were happy to renew old acquaintances. Mr. and Mrs. Robert Couture reside in Ottawa with their seven children where he is principal at a school in that city.

Mrs. Lucienne Pelletier is a patient at the Immaculate Hospital in Westlock. We wish you a speedy recovery.

Mr. and Mrs. Walter Van de Walle and Mr. and Mrs. Jos Nault and members of their family travelled to Vegreville last Saturday to attend Mr. and Mrs. Ted Tetreau's 25th wedding anniversary.

The Legal Senior Citizens were invited by the Westlock Senior Citizens for an after-noon program on June 21 at 1 p.m. in the Westlock Legion Hall. The program was presented by the talented grade 3 and 4 of St. Mary's Elementary School. Some 25 senior citizens took advantage of the wonderful opportunity for an outing, making new acquaintances and chatting with others of the same age.

The delicious lunch served concluded a most enjoyable afternoon. The Senior Citizens are grateful to Marjolaine Chamberland and Laurent Coulombe, co-ordinators of the summer STEP program for organizing and making it possible for them to attend such a lovely afternoon.

The Guide Company and the 2nd Legal Pack had a fly-up ceremony for six girls. They were Yvonne and Yvette Pelletier, Lori Holden, Loretta Fizer, Rita St. Martin and Doris Letourneau. The pack gave the girls each a gift. The Guide Company went camping at Island Lake at Clyde last weekend. Despite the rain they had a wonderful time.

As I See It

by ROSE MARTEL

By Rose Martel

Canada Day, July 1st, 1972 will cause little controversy among the majority of Canadians. It will be celebrated with the usual multiple outings, family picnics, and the booming of cannons near the parliament buildings in all the capital cities of our vast beautiful country.

Perhaps the happy throngs of students on holidays will use it to explore some near-by museums, now found in our country.

What is a country, if not only an extension of the community and the family groups? We Canadians have a three thousand mile border line to the south of us, with no barbed wires or troops with drawn bayonets facing us. Vast oceans, north, east and west, welcome ships from all other parts of the world to our shores, also unguarded.

AS I SEE IT: Canadians have much to be thankful for in 1972, as we celebrate Canada Day, or Dominion Day, as the senior citizens like to remember it. Despite the hard winters, and the ravages that a turbulent nature sometimes inflicts on parts of our countryside we have peaceful skies, and good living compared to a vast majority of the rest of

the people in this world today.

Let us take this opportunity to count our blessings, both personal and national. Let us take a new and fresh resolution, to combat pollution at every level. This means beginning with better personal habits at home, on the street, and as we travel about.

We Canadians always have lacked the national pride, so eloquently displayed by our American neighbors to the south. Our British and French ancestors have left the majority of Canadians with a colonial complex, that we have not outgrown yet.

Perhaps we need a new look at our educational system, not only at the local level but province wide, then regional, that we hope may some day soon become a national in scope. Education that will forge the strong link in Canada, to make us truly united in tongue as well as in progress.

The first step in this direction is evolving, with the first meeting of the three prairie provinces education ministers, meeting now in Regina, with Saskatchewan's

Gordon MacMurchy, Alberta's Lou Hyndman and Ben Haneschak of Manitoba. An invitation to Education Minister Donald Brothers from British Columbia to join them later this year in Winnipeg has been already made. This has been accomplished with the full knowledge and approval of the individual cabinets of the each province taking part.

Now, if only the local school board members would meet and be willing to discuss their mutual problems, in a similar factual manner, with the key word COMPROMISE. Education must serve to prepare the students of today for a way of life in the world of tomorrow, and must be geared to build and strengthen a proud and united Canada. What better time to begin to get acquainted with the education problem in each school district. It is also a good time to request information, and demand changes in any curriculum that neglects basic facts about our own national history and the beautiful legends of the Canadian Native people, who are also true Canadians.

HAIL AND CROP INSURANCE AND WEATHER MODIFICATION

By resolution of the Alberta Legislature, a select committee of the Assembly was established to study Hail Crop Insurance and Weather Modification across Alberta. The study will take two forms:

- (a) General information about existing Insurance programs and Weather Modification projects and
- (b) General hearings where individuals or groups may present their views.

1) The information meetings will be held in both Leduc and Westlock for the Edmonton region on July 4 and 5 respectively.
July 4, 1972, 8:00 p.m. at Leduc Legion Hall
July 5, 1972, 8:00 p.m. at Westlock Legion Hall

2) The general hearings will be in August, at which time written briefs relating to this matter are invited from any individual or group, or representation by the committee. Further information may be obtained by writing Mr. Gordon Sterling, Secretary of the Committee, Edmonton Regional Office, 6905 - 116 Street, Edmonton.

MR. & MRS. DOUGLAS MULDER

Couple wed in United Church

Amid flowers, music and in a candlelight setting, Miss Dale Van Fossen, daughter of Mr. and Mrs. E. D. Van Fossen, became the wife of Mr. Douglas Mulder, son of Mr. and Mrs. Rudolf J. E. Mulder, on May 20 at 4:30 p.m. The Reverend L. Musto assisted in the St. Albert United Church. Mrs. Upright accompanied at the organ, and Miss Irene Shultz and Mr. John Lindley were soloists.

The bride wore a graceful dress of nylon chiffon. The bodice, the long sleeve accents and the cathedral length veil's edge was a heavy lace beaded with seed pearls and rhinestones. The sweetheart neckline displayed the groom's gift of a delicate gold cross set between pearls. The bride carried a trailing arrangement of white orchids and Stephanotis upon her Eastern Star bible.

Attendants of the bride were: Miss Penny McCallagh, maid of honor, Miss Sue Van Fossen, Miss Lana Woodall, and Miss Susan Nicol, bridesmaids. Miss Eleanor Reid was junior bridesmaid and Miss Heather Prentice was flower girl. The bride's train was borne by twins, Miss Tracey and Master Scott Hurd. The maid of honor wore a pale yellow, sheer nylon formal with a loose flowing panel, puffed sleeves and a scoop neckline which were trimmed in tiny yellow roses. She wore a gold cross, gift of the bride, and a tiny ruffled hat of matching material and trim. Her nosegay bouquet was of yellow roses, centered with a white or-

chid. The other attendants wore identical outfits in turquoise and carried yellow rose nosegays. The train-bearers were in white.

The bride's mother wore a deep rose chiffon formal with silver accessories while the groom's mother wore a mauve formal with matching hat. Their corsages were white orchids. Mr. Mulder was attended by Mr. Lee Van Fossen as best man. The ushers were Mr. John Prentice, Mr. Roy Mulder, Mr. Rob Welsh and Mr. Rick Tovell. The gentlemen wore yellow rose boutonnieres on their white dinner jackets.

Immediately following the ceremony an open-house was convened by Pioneer Chapter, Order of Eastern Star, at the bride's home, 5 Brentwood Place, St. Albert. The sister-in-law of the bride, Mrs. Mark Van Fossen, and the sisters of the groom, Mrs. John Prentice and Miss Joan Mulder, greeted the numerous out of town guests. The mothers of the attendants were hostesses.

The reception dinner and dance for 200 was held at the Club Mocambo. Mr. Fritho E. Mulder, uncle of the groom, presided as master of ceremonies. Mr. Hugh Johnson toasted the bride. The wedding cake was made by relatives. It was decorated by Mrs. Dell Neldig. The beautiful cake was accented with fresh flowers, yellow roses and greenery. Miss Susan Krause attended the bride's book. Selections were sung by Miss Shultz and Mr. Lindley, accompanied by Mrs. Upright.

Breakfast Lions Club Inducts Three New Lions

Past District Governor, Art Stapleton of Morinville officiated at the installation ceremony Tuesday morning at the St. Albert Lions Breakfast Club meeting. Two new Lions were inducted while a third member was received in the local club after transferring from Blackfalds, Alberta. The two inductees are Lion Tony Raven and Lion Charles Van Elslande. Transferring

from Blackfalds and welcomed to the local Lions Breakfast Club is Eugene Scantland.

All three newly welcomed Breakfast Lions were sponsored by immediate past president Lion John Kaminski, who attended with Lion Tony Raven while stand-in sponsors were Lion Dr. W. Cuts and Lion Stan Shotland.
